Performance

Exceeds Expectations

What does this mean?
"Does Not Meet Expectations" means the provider received less than 50% of possible points. "Meets Expectations" means the provider received 50-74.9% of possible points. "Exceeds Expectations" means the provider received 75% or more of possible points.

Why is this important?
Teacher retention is important because teachers become more effective as they gain experience. Retaining more teachers also helps to alleviate teacher shortages.
