

Canvas LTI 1.3 Integration - Adding SL&L activities to a Canvas course

Adding SL&L activities to a Canvas course

The following instructions will allow you to insert a link in your Canvas course that takes students and faculty to a specific activity in Student Learning & Licensure (SL&L). Please note that the activity must be created in SL&L first, before it can be linked to Canvas.

1. Log in to your Canvas faculty account and navigate to your **Course** home page.
2. Go to **Assignments**.
3. Click **+ Assignment** to add a new assignment.

4. Enter a **Title** for your assignment.
5. Enter a point value.

This tool needs to be loaded in a new browser window

Load Week 1 Assignment in a new window

12. A new tab will open. Choose the **Specific Activity** option.
13. Choose a course section and activity from SL&L, and click **SELECT & SAVE** in the upper right corner of the page.
14. A Success message will be displayed on the page. Click **RETURN TO LMS**. Clicking the link in your Canvas course will now take you directly to the SL&L activity.

Disconnecting a SL&L activity from a Canvas assignment

1. Navigate to the activity in SL&L as either an instructor or administrator
2. Click the "more options" button (three dots) on the right side of the page
3. Click "Disconnect LMS Link"
